Well this may be a bit of a surprise, so soon on the back of the previous newsletter but I have had a lot in since then that it would indeed be crazy not to do an update. There are some extremely rare additions to the rarities and some wonderful new arrivals. I have also listed a bit more of the non country stuff for those who like a bit more variety. So, please consider this side by side with the October newsletter. For all intents both are active, so please use them accordingly. Our recent in house sale was also a success despite the fact it occurred on the wettest day in memory. To all the hardy souls you deserve a medal. Lance in particular deserves several. The next sale will be February so if you would like an invite please let me know. If you are an out of townner and will be in Sydney at any time by all means give me a call, you are welcome to drop by. POSTAGE RATES : see October Newsletter.

Bob Manning & the Honky Tonk Road Show "Just What I Wanted" \$28

This seriously reminds me of Merle Haggard, but a Merle Haggard of the MCA & early Epic period where he wrote & sung some of the best reflective songs he ever did, but songs which may not have had the immediacy of some of his work but ultimately proved to be some of the best things he ever did. Two in particular come to mind in "Footlights" and "What Am I Gonna Do With the Rest of My Life". Bob Manning has a similar nuance. "Look Away My Darlin' " is about a man facing the gallows...figuratively or literally I am not sure....but he is repentant "Tell our boy the wage of sin lies in the ground" Fabulous song. "Linger Longer Lounge" is a barroom mid tempo weepy...the happy hour isn't happy at the linger longer lounge...."they tell of loves that's lost, why cheater's cheat, the lives that's come undone"....."the happy hour's a little different at the linger longer lounge". Love it!! "Sally's Antique

Store" sees our hero visit to see his little corner of Sally's Antique Store where all the products of his broken relationship are to found. Okay, it may not be a happy album, but then again the best country music isn't. What I like about this are the instrumental subtleties. The steel playing of Doug Jones is really admirable. Incidentally Bob is married to Kimberly Murray, well in line for album of the year....maybe they can wrestle off for it. Don't forget the Kleenex.

Roy Sludge "Too Drunk to Truck" \$28 This is an exceptional truckin' album, right in the spirit of Dave Dudley but with more emphasis on the honky tonk side of things. He would be well and truly stuffed if the highway patrolman said "blow into the bag". The Swedish Cowboy contributes the main review: "Wow! The best truck driving music I have heard in a long time! Great voice, excellent backing from acoustic guitar, electric guitar, stand up bass and lap steel! No drums! No fiddle! No extra musicians! 15 originals and one old rockabilly classic! Really good songs! This one is even better than the Chris Sprague one that came a few years ago. Great truck driving disc!" I would add it looks like Kimberly and Bob may have to go tag team to get an album of the year. This one has been instantly embraced by all who have heard it.

Dale Watson & The Texas Two: The Sun Sessions, \$28 The Swedish Cowboy also tells the story of the fabulous Dale very well.....Dale is as original and excellent as usual. This is 14 original songs (well, he has recorded one of them before) in the style of early Johnny Cash, and they are all very well performed with only guitar, bass and drums.! 14 song in 31 minutes. None of them out stays its welcome. Short distinct songs they way it was done in the 50:s. Another masterpiece from one of the greatest country singers alive! >>>The song he refers to as being done before is "Johnny at the Door". The slightly ribald sounding "My Baby Makes Me Gravy" proved very popular on his tour earlier in the year,.

Incidentally his best of 2011 as it stands is as follows

1. Justin Trevino: Two Of The Usual
2. Kimberley Murray: Another Day Of Lonely
3. Gena Roberts: Shuffle Back To Me
4. Bobby Flores: Fast Company
5. Jody Nix: Bright Lights & Country Music
6. Roy Sludge: Too Drunk To Truck
7. Johnny Bush: Who'll Buy My Memories
8. Jake Hooker: One Man World
9. Gene Watson & Rhonda Vincent: Your Money And My Good Looks
10. Dale Watson & The Texas Two: The Sun Sessions
11. Connie Smith: Long Line of Heartaches
12. Amber Digby & The Midnight Flyer: Live at Swiss Alp Hall
13. Billy Yates: Just Be You
14. Anthony Wilson: My Friend The Jukebox

Gena Roberts "Shuffle Back to Me" \$28 I inadvertently missed this this last time. Big Bad John reckons it is the best female debut album he has ever heard. It is classic Texas country all the way with added marks for lack of covers. The instrumentation is excellent and a must for fans of Amber Digby, Miss Leslie, Kimberly Murray and co.

Amber Digby "Live at Swiss Alp Hall" DVD \$30 After what seemed like an eternity we can report this was worth the wait. Amber has added confidence and her band is a cracker, Damien O'Grady on piano is a standout. Not only is he an exceptional piano player he is also a damn (sorry darn) fine vocalist in his own right and takes the lead on a couple of tracks as well as duetting with Amber on a couple more. A wonderful singer who just gets better. If you have heard her you need to see her as well.

Dick Curless "Long Lonesome Road" \$28 New cd on the Omni label which has a very nice 29 tracks. Of these I believe only 6 are duplicated from the wonderful Razor & Tie cd (see our rarities section) which leaves 23 tracks that you would only find on the Bear Family box sets. As usual nice sound and notes. I am sure Dick would have approved of the aforementioned Roy Sludge and I am sure Roy took more than an influence from Dick.

Guy Clark Tribute Album 2clds \$35 This is a really deluxe 2cd set which is in transit...be in next week. It is Just out. There is an excellent song by Peter Cooper about Texas...he hasn't recorded it yet, but has a great line about Guy Clark being everyone's favourite Texas songwriter but living in Nashville since 1971. Here are the tracks. It will be worth the wait. The album was produced by Tamara Saviano who is Kris Kristofferson's manager and who also produced both the Kristofferson and Stephen Foster tributes. The lady knows her stuff.

CD#1

1. That Old Time Feeling (Rodney Crowell)
2. Anyhow I Love You (Lyle Lovett)
3. All He Wants Is You (Shawn Colvin)
4. Homeless (Shawn Camp)
5. Broken Hearted People (Ron Sexsmith)
6. Better Days (Rosanne Cash)
7. Desperadoes Waiting For A Train (Willie Nelson)
8. Baby Took A Limo To Memphis (Rosie Flores)
9. Magdalene (Kevin Welch)
10. Instant Coffee Blues (Suzy Bogguss)
11. Homegrown Tomatoes (Ray Wylie Hubbard)
12. Let Him Roll (John Townes Van Zandt II)
13. The Guitar (Ramblin Jack Elliott)
14. Cold Dog Soup (James McMurtry)
15. Worry B Gone (Hayes Carll)

CD#2

1. Dublin Blues (Joe Ely)
2. Magnolia Wind (Emmylou Harris & John Prine)
3. The Last Gunfighter Ballad (Steve Earle)
4. All Through Throwing Good Love After Bad (Verlon Thompson)
5. The Dark (Terri Hendrix)
6. LA Freeway (Radney Foster)
7. The Cape (Patty Griffin)

8. Hemingway s Whiskey (Kris Kristofferson)
9. Texas Cookin (Gary Nicholson, Darrell Scott & Tim O'Brien)
10. Stuff That Works (Jack Ingram)
11. Randall Knife (Vince Gill)
12. Texas 1947 (Robert Earl Keen)
13. Old Friends (Terry Allen)
14. She Ain't Goin Nowhere (The Trishas)
15. My Favorite Picture of You (Jerry Jeff Walker)

Ray Scott – Rayality \$28 Ray Scott's new indie release. His first had some exceptional moments notably "My Kind of Music". He has a deep voice and handles the ballads as well as the outlaw style upbeat numbers such as "Gotta Quit Drinkin'". The album had a consistency throughout that was previously lacking.

Amy Francis "Balladacious" \$28 This due same as Guy Clark. She is a native of San Antonio and recently received a 5 star review in Country Music People. She does country standard with an excellent band led by steel player. Tommy Detamore. There are mixed reactions to this type of thing. The fact they are standards will delight some and also turn some away but the arrangements seem excellent and thus should be well received.

Buddy Jewell "I Surrender All" \$28 New gospel album that doesn't mine the usual bunch of tried and true standards. This will have wider appeal. "Jesus, Elvis & Me" was on initial listening something I thought Confederate Railroad had done but I worked it out that their song was Elvis & Andy, but this is of similar ilk. "Hell Bent & heaven Bound" has a Hank Jnr flavour. Yes, certainly not the usual.

Louvin Brothers "Satan is Real" expanded 2CD\$32 My old high school mate Fat Paul and I regularly keep in touch and he sent me an email with supposedly the worst album covers on it. Well much to my disgust it had the cover for this gem in the list. I immediately shot back that this was perhaps the greatest album cover of all time. Naturally I am right. The devil juxtaposed with the fire & brimstone created one of the best cover images ever. This is a brand new UK 2 cd set, with a remastered version of the classic plus a second cd of "handpicked" songs where well know artists choose their most inspirational Louvin tracks. If only Lucinda Williams' great taste extended to her own singing as she picks the sublime "When I Stop Dreaming". Graham Nash holds back the rushing minutes and picks the equally fine "My Baby's Gone". Not surprisingly Kris Kristofferson goes for "Knoxville Girl". Just to avoid confusion these are the Louvin Brothers...these artists have just selected them. There is a great fold out cover and a 40 page booklet to spread the joy even more.

Tom T Hall "50 Greatest Hits" \$35 2cd UK release which actually is not really a greatest hits as there are some rather unusual tracks including the rather controversial "A Bar With No Beer", that is if plagiarism worries you.

Artie Rodriguez "She Loves George Jones" \$28 Young Walton County (Florida) deputy who stays true to his country roots with a mix of originals and covers. The title track is a classic about a gal who loves

listening to George Jones more than she does Artie. Some nice subtle introduction of some classic Jones lines into the song create an added effect. "Roses I promised You" has a slow fiddle & steel intro and you know it is gonna be a sad song. ...a new version of "Roses for Mama" if you like. Definitely approve. He handles the standard "Jealous Heart" with just a little difference to what we are used to and even does a little of that other Rodriguez (Johnny that is) by dropping a little Spanish in there. I wonder if he is related....let's say it could be a definite maybe!

Others

Will Banister "Turned Her on to Country" \$28

Bonnie Lou "Friction Heat 1953-58" \$25 Massive 32 tracks from King, Fraternity and other labels.

Jessi Colter "I'm Jessi Colter/ Jessi/ Diamonds in the Rough" \$30 There has not been much of Jessi available over the years and this cd on the BGO label is welcome with 3 excellent Capitol albums on 2 cds.

W C Edgar "Old School Survivor" \$28 Great honky tonk and it seems he hates Kenny Chesney as much as I do so he has to be a great guy. A top ten for mine this year.

Bobby Flores "Fast Company" \$28 Very consistent and equally adept as a musician and singer. One of the best of his Yellow Rose releases (his label)

Merle Haggard "That's the Way Loves Goes/ "It's All in the Game" \$30

Merle Haggard "Land of Many Churches" \$30 out again on BGO

Merle Haggard "Out Among the Stars/ Friend in California" \$30 BGO

Weldon Henson One Heart's Gone \$28 Should appeal to Dwight fans.

Jake Hooker "One Man World" \$30 One of the best at preserving the great Ray Price sound and one of the best Texas musicians with many albums made just that much better by his superb upright bass playing. Writes a great song and never covers anything that is overly familiar. Brilliant artist!!

George Jones "Country Church Time" \$30 The original gospel album augmented by 12 more songs under the heading "More Songs of Depression and Despair". George certainly hasn't forgotten that!!

George Jones "Ragged But Right: the Complete Starday Years Plus" \$40

Nicely packaged 3cd set which for the first time collects all his original Starday recordings.

George Jones "Who's Gonna Fill Their Shoes/ Wine Coloured Roses". \$30

Two of his very best Epic albums on a single cd.

Georgette Jones "Strong Enough to Cry" \$28 Wonderful 2nd album on the label of the year, Heart of Texas.

Dickey Lee – Classic Songs \$25 This features new recordings of his pop & country hits. He is of course best known as a writer of one of the classic all time great country songs "She Thinks I Still Care"

Kimberly Murray "Another Day of Lonely" \$28 This lady has joined the Y & T royalty...Erin Hay, Amber Digby, Miss Leslie....she is that good.

Willie Nelson "Before His Time/ Angel Eyes" \$30 The first was not a proper album to start off with, just a collection of RCA tracks but the second was a wonderful album with jazz guitarist Jackie King and is as good as ever. Best track is a jam on "Tumbling Tumbleweeds"

Jody Nix "Bright Lights & Country Music" \$28 Son of Hoyle Nix...big on shuffles and a little swing.

Joe Paul Nichols "Friends in High Places" \$28 Sadly passed on this year but left a fitting legacy. This has 14 duets with everyone from Moe Bandy to Melba Montgomery. A none too shabby lineup. One of the indie success stories with over 209 albums to his credit, which to his credit, encompass both religious and non-religious themes, brilliantly

Webb Pierce Cross Country/ Fallen Angel \$30 Two albums on cd for the first time from 1961 and 1962

John Prine "The Singing Mailman Delivers" \$28 Rare recordings made a year before his Atlantic label debut. What a talent. Includes a working version of the fabulous "Sam Stone" with the superb title "Great Society Conflict Vetrean's Blues".

Johnny Rodriguez "Introducing/ Al II Ever Meant to Do Was Sing" \$30

Two of his early Mercury albums on the one cd...how good is he.

Tom Russell "Mesabi" \$28 Best in a while with Tom giving it to Disney if you like with "The Lonesome Death of Ukulele Ike"...the story of Cliff Edwards, who voiced Jiminy Cricket singing the wondrous "When You Wish Upon a Star". But "Farewell Never Never Land" is even better, the story of child actor Bobby Driscoll, who voiced Peter Pan and appeared in two classics "Treasure Island" (aye, Jim laaad) and "Song of the South". No one tells a riveting story as well as Tom.

Jack Scott "Touch Me Baby I Go Hog Wild 1957-1960" 2cdis \$35 A massive 64 tracks on 2 cds. Naturally his wonderful backing vocal group feature throughout.

Kenny Seratt Best Violume One \$28 Wonderful Haggard/ Lefty inspired vocalists.

Connie Smith "Long Line of Heartaches" \$28 It is like we wound the clock back. One of the greatest female country singers ever and guess what she sounds just as great. Fine songs and production.

Mel Street "Mel Street/ Country Soul" \$30 One of country's best vocalists and the very best proponent of the cheating song.

Justin Trevino "Two of the Usual" \$28 A duet with Jan Howard and one with Tony Booth are just two of the highlights of this cd from our # 1 hero.

Josh Turner "Live at the Ryman" \$30 The cd was only available at Crackerbarrel stores. It is now all gone and the remaining copies were shredded. Don't miss it. Josh shows with his treatment of a couple of Haggard songs he is as good as it gets. DON'T MISS IT. Once gone its isgone forever.

Gene Watson "Memories to Burn/ Starting New Memories" 2 on1 \$30

Gene Watson/ Rhonda Vincent "Your Money & My Good Looks" \$28

Anthony Wilson "My Friend the Jukebox" \$28 Uses all the Heart of Texas crew and is that good.

Don Williams – "New Moves/ Traces" 2 on 1 \$30

Kitty Wells – "Country Hit Parade/ Winner of Your Heart" \$30 2 Decca label gems on one cd.

INDEPENDENT CDS ...great bunch of honky tonk, straight country & some rockabilly (rab after listing designates straight rockabilly but a few country with some rockabilly overtones kind of Elvissy..how's that for an invented word!). Mostly one offs as they are virtually all short runs....once gone gone forever.

****Highlight*****

Max D Barnes "Day After Forever" \$30 for the uninitiated Max D Barnes was one of Nashville's greatest songwriters. He had many hits but probably the highlight was the CMA song of the year "Chiseled in Stone" which he co-wrote with the singer of that great song, Vern Gosdin. Max was also responsible for 9 of the 12 songs on that stunning album of Arnold Sanford "That's Why I Sing This Way" which a panel of heavies has voted as the greatest indis album of all time. Now, as a singer Max was stunning as well. He was highly reminiscent of Vern Gosdin and had a little Don Williams in there too. Yet he was criminally under-recorded. He only had 2 lps and this cd. I had searched for over 5 years to get this and in the end was able to contact Max T Barnes, Max D's son and a great songwriter in his own right. So this is going to be a one off. Try and find this anywhere and you simply won't. To say it is great is an understatement. Don't miss it.

THE OTHERS...there are some so rare in here that I honestly believe we will not have them again.

- Anderson, Bill** **Greatest Hits Volume 2 \$35** Out of print Varese cd...only place to get his great "Country DJ"
- Arwood, Bill** **I want More \$40** Great honky tonk singer. Nothing subtle but all great and you would suggest he is not talking about someone else when he sings "When Jack Takes You Out on the Town" ..he isn't there on a research project!! Bob Grady label.
- Arwood, Bill** **Collectors Series Volume 1 \$45** 15 tracks mainly recorded on the great Bob Grady label & released as singles. Honky tonk gem.
- Atkins/Reed** **Sneakin' Around \$20** ****Special**** Chet's 3rd album with Jerry Reed is full of great picking & the wonderful interplay of the first two.
- Bare, Bobby** **The Mercury Years 1-3 Bear Family \$200**
This is one of the hardest albums to get. This has been out of print the best part of 20 years. It runs just over 3 hours and it features many Tom T Hall songs that have not been covered by the man himself. Also has many Billy Joe Shaver songs. Bare was one of the first to recognise his greatness. 67 songs in all. Try and find one and you will go nuts. Bare was at Mercury between 1970 and 1972 between stints at RCA.
- Bellamy Brothers** **Rebels Without a Clue \$35** This MCA album is by far their best. Brilliant in fact. The title song is one of the best we've heard about youth. All great esp. "The Courthouse" and "The Andy Griffith Show".
- Berry, Benny** **Some Things Never Change \$40** Hawk Records One of the best indie artists of all time. Sang like Haggard but still in his own voice. Produced by the great Mike Headrick.
- Bond, Johnny** **Best of Johnny Bond \$35** 17 tracks on Varese & the only place you will get the original "Hot Rod Lincoln". Also the hilarious "Ten Little Bottles".
- Brown, Roger** **Rodeo Boogie \$35** Great indie album from one of Texas's best writers.
- Bruce, Ed** **The Best Of \$45** This 18 tracker is long out of print & collects all his wonderful MCA recordings which prove he was not only one of the best writers but singers as well.
- Cartwright, Lionel** **Lionel Cartwright \$25** He debuted same time as Garth & Clint Black & his first was a stunner. "Like Father Like Son" is a classic.
- Cash, Johnny/ Waylon** **Heroes \$60** Featuring the only duet album of the two great Highwaymen. They do an immaculate version of the Tom T Hall gem "Ballad of Forty Dollars" & two fine Rodney Crowell covers.
- Chesnutt, Mark** **Doing My Country Thing \$40** Pre MCA recordings on the Texas Axbar label in

the 80s shows Chesnutt hit the ground running with one of the best voices of any age.

Conlee, John **Blue Highway \$35** 16 MCA gems including "I Don't Remember Loving You" written by Harlan Howard plus some rarities

Copas, Cowboy **Copasetic King & Starday Recordings 1944-1960 \$40** 26 of the best on Westside.

Cryner, Bobbie **Bobbie Cryner \$35** Yep, this is the album we rate this as the best female album we have ever had. This one is even autographed. \$28 not autographed.

Curless, Dick **Drag Em Off the Interstate Sock It to 'Em Hits of Dick Curless \$35** Razor & Tie 21 tks

Dave & Deke Combo **Hollywood Barn Dance \$35** 1996 gem with Deke Diuckerson & Dave Stuckey along with Lance Ray Soliday & Brian "Shorty" Poole.

Delray, Martin **Get Rhythm \$35 *****Special******* With Johnny Cash on title song.

Dennis, Wesley **Country to the Core \$75** This was the 2nd album by this great singer and I don't know why but it is impossible to get. I only ever had 10 copies, which didn't even hit the shelves. But when I went to reorder it was impossible to find. The company had folded...maybe they forgot to pay their bills but who knows. Right up there with his self titled major label album and he has a top voice which was a tad like Randy Travis. It may be this is the last we will ever get.

Dickens, Little Jimmy **I'm Little But I'm Loud \$30** 22 track gem on Razor & Tie is now out of print.

Dunn, Holly **Across the Rio Grande \$38** Her best cd & out for a short time due folding of MTM label Her version of the title track kills Rebas.

Edwards, Stoney **Just For Old Times Sake \$60** His only post Capitol album is a stunner. His wonderful Lefty/Haggard drawl is s great as ever.

Edwards, Stoney **Poor Folks Stick Together: The Best \$35** 20 Capitol tracks on out of print Razor & Tie cd.

Emmons/Pennington **Swingin' By Request \$35** Reckon this is the best of the lot. Buddy's steel guitar workout on the old standard "Little Brown Jug" has to be heard to be appreciated. Pennington's vocals are superb. 21 tks

Fargo, Donna **Best \$25** Varese cd with 18 tracks

Feathers, Charlie **Get With It: Essential Recordings 1954-1969** Revenant lable 2cds and covering Flip, Sun, Meteor, King, Kay, Wal-May, Holiday Inn labels plus a whole Bunch of demos, plus a 44 page booklet. 42 tracks \$48. Very hard to get.

Ford, Tennessee Ernie **& Glen Campbell "Ernie Sings & Glen Picks \$40** This is the original issue with full liner notes. A 1975 album which has Ern singing over Glen's acoustic guitar. The simple arrangements highlight Ern's wonderful baritone and his interpretation of 2 Kristofferson songs, "Nobody Wins" &

"Loving Her Was Easier" showed he could sing anything.

Frizzell, Lefty **That's the Way Love Goes: Final Recordings \$40.** He sang better than he ever did!

Gaffney, Chris **The Cold Hard Facts** ROM label \$40. Great 1st album with highlight being the Moe Bandy-like "Room 208". A superb album.

George, Sonny **Country & Western Roundup volume 1 \$35**
There are few if any who can successfully combine country and rockabilly as well as Sonny. "Hillbilly Beat" is a great update Of the hillbilly standard "Mama Don't Allow". As the Swedish Cowboy says it is not rock but it certainly "rocks".

Glaser, Tompall **Best of Tompall Glaser & the Glaser Brothers \$45** Out of print cd. Check out Amazon...cheapest is over \$100!! 24 great tracks.

Gosdin, Vern **Alone** \$30 when it comes to sad crying in your beer style this may be the best ever album. Documents his broken marriage.

Gosdin, Vern **The Voice \$35** Original blood red case version Of his wonderful 1998 album.

Greene, Jack **The Jolly Green Giant \$35** Only cd of his MCA tracks was this gem on Edsel UK label which was long out of print. 20 tks.

Haggard, Merle **The Way I Am** \$55 His MCA gem is I Is literally like trying to find gold. Features some of his best and most personal songs like "No One to Sing For But the Band" & "Life's Just not the Way it Used to Be" Also has a mini tribute to Ernest Tubb with 4 tracks either written by or associated with the Texas Troubadour. Great album.

Haggard, Merle **My farewell to Elvis \$35** Another out of Print title. He covers Elvis & includes his own "From Graceland to the Promised Land".

Hall, Tom T **Songs from Sopchoppy \$35 AUTOGRAPHED!!**

Harris, Emmylou **Cimarron \$45** This is the out of print gem with bonus track. Nice presentation.

Hawkins, Hawkshaw **Rattlesankin' Daddy: King Anthology 1946-1963 \$35** Great 24 track cd of his King & Starday stuff which suffice to say is unavailable!!

Homer & Jethro **America's Song Butchers: Weird World \$28** 20 track. Out of print Razor & Tie cd.

Howard, Harlan **All Time Favorite Country Songwriter \$35** 1996 Koch reissue of Monument album, both long gone. Has 12 of his biggest hits sung by the Irving Berlin of country music, including gems "Heartaches by the Number", "Tiger by the Tail" etc

Husky, Ferlin **Vintage Collection \$35** 20 tracker out of print with both his original version of "Gone" (as Terry Preston...an alias) & the hit version (as Ferlin Husky...his real name)

Jackson, Larry **Blue Highway \$40**

Jackson, Larry **Out of the Blue \$40** I don't think I have

ever had a song like Larry's "The Blue Highway" to attract a question as to who is it?? Larry's voice I would suggest has been weathered to perfection. He is a superb singer and writer but alas these are his only two albums. You feel he has lived the songs. The sad "When Love Dies" has a real ache to it. The second album even has an uptempo honky tonk belter "Honky Tonk Two Steppin' Beer Drinkin' Saturday Night" & what better way to show his great voice than with a definitive reading of the Paul Siebel classic "Louise". Don't miss them.

Jansen, Frank
Jansen, Frank

You're a Phone Call That I Need to Make \$45
My Way or the Highway \$40 First on Bob Grady label and the second are 2 of the most popular indie cds we have ever had.

Jennings, Waylon

Waylon & Company \$40. It is just about impossible to find a copy on cd.

Jones, David

Bridges \$30 Honky tonk...honky tonk & guess what more honky tonk.

Jones, George

Jones, George

Jones, George

& Melba Montgomery "Vintage Collection" \$45 *****special price.***** 20 duets.

Jones, George

You Oughta Be Here With Me \$25 ***special** His last for Epic and maybe his best. Not one song less than great.

Jones, George

Friends in High Places *Special***\$25** Duets with Buck, Vern, Emmylou, Ricky Van & many more.

Jones, George

Don't Stop the Music \$40 Ace UK 22 track collection of Starday & Mercury songs.

Jones, George/ Johnny Paycheck Double Trouble \$40 They were 2 of the biggest troublemakers at their peak of troublemaking and with George also at his creative peak. The opener "When You're Ugly Like Us (You just Naturally Have to be Good)" says it all. A tad strange as it includes some Chuck Berry & Creedence covers.

Joss, Scott

Intimate & Live: Invite Scott Joss Into Your Living Room \$35 This is a gem which was produced in small quantities all signed by Scott who was fiddle player for Dwight & now performs same function for Haggard. He is a classic country vocalist in his own right & does some gems from his own pen & also that of Freddy Powers. But the stunning "Gone With the Wind", which Haggard did on his "Amber Waves of Grain" is the best.

Lewis, Jerry Lee

All Killer No Filler 2cds Rhino \$48 Great set covering all his career & all styles,

Logan, Josh

Something Strange \$45 Bob Grady label gem by the man who embodies everything of the King of the Cheating Song, Mel Street.

Lyda, Jacob

Her We Go Again \$30 1997 Bob Grady label.

- Lyda, Jacob** **Three Times the Charm \$30** 1998
Mike Headrick produced gem. So young but with a knockout voice.
- Mack, Bill** **Sings His Songs \$45** Bill Mack has had a long career in radio and as "Radio's Midnight Cowboy" is a true Texas legend. His best known song overall is "Drinking Champagne" recorded by Cal Smith and George Strait to name a few but he gained infamy as writer of the song "Blue" as recorded by LeeAnn Rimes. Bill includes his original 50s version here & it is a knockout. The other 15 songs were of recent recording. A really top cd.
- Martin, Tony** **I'll Meet You in Texas \$35** 1996 gem on the Bob Grady label produced by Mike Headrick. A very Haggard/Bakersfield influenced gem.
- Mata, Billy** **Made in Texas \$35** a real favourite. San Antonio's top country artist which contains one of the Cosmic Cowboy's and my favourite tracks the impossibly catchy "If This Was Texas".
- Moore, Lattie** **I'm Not Broke But I'm Badly Bent: King & Starday Recordings 1953-1963. \$45** 29 tks on the defunct Westside label
- Morgan, Dennis** **Attic Chronicles \$25** One of most successful songwriters of 70s and 80s and sadly his only ever album as he is an excellent singer. Witty songs.
- Morgan, George** **Room Full of Roses \$30** **Razor & Tie OOP!!**
- Mowrey, Dude** **Honky Tonk \$25** Young looking but great songs and style. Capitol label gem.
- Mullican, Moon** **Showboy Special: The Early King Sides \$30** Westside label...out of business.
- Mullican, Moon** **The EP Collection \$30** 26 tracks on the defunct See for Miles label. How come all great labels are now gonesky???
- Nelson, Leo** **Under Neon Lights \$55** Produced by both Bob Grady & Mike Headrick our two favourite indie producers and the songs are just grand. The title is a duet with the great indie artist Bill Arwood. If you don't have it your collection is incomplete.
- Nelson, Willie** **with Hank Snow "Brand on Your Heart" & With Webb Pierce "In the Jailhouse Now" 2 on 1. \$48** I particularly like the version of "I've Been Everywhere" where Willie is so laid back and Hank so intense. Great
- Nelson, Willie** **with Roger Miller "Old Friends" and with Faron Young "Funny How Time slips Away" 2 on 1.** How good is the title track of the first with Ray Price helping out. \$55
- Newbury, Mickey** **Live in England \$45** Like most of his stuff is out of print and to hear him in front of an audience is the best way. This is acclaimed as his best live work.
- Owens, Buck** **Kickin' In \$30** Second of his three Capitol label comeback albums.
- Parker, Billy** **And Friends \$40** Out of print Bear Family cd

- which has 2 albums on the one. The first is all duets with likes of Cal Smith, Jack Greene, Webb Pierce, Darrell McCall etc 21 tracks
- Paycheck, Johnny** **Mr Hag Told My Story \$60** This Epic album redefined Paycheck's standing. He was painted as an outlaw but this was stunning & right up there with his Little Darlin' Stuff. Haggard did 3 duets and unlike many tribute cds he went for the lesser known songs. His duet with Haggard on "I'm Turning Off a Memory" will amaze.
- Paycheck, Johnny** **The Real Mr Heartache: The Little Darlin' Years \$60** This 24 tracker put out by the Country Music Foundation is as good as it gets. Paycheck may be the greatest hard country singer ever. He could have been George Jones...if you know what I mean.
- Paycheck, Johnny** **The Difference in Me \$35** Playback label gem which showed he could still cut it in the classic country style. Highlights include "Waltz of the Angels" and "My Name's Not on the Sidewalk".
- Penny, Hank** **Hillbilly Be Bop King anthology 1944-1950 Westside label** 28 tracks \$30
- Petrone, Shona** **Something Real \$45** One of those peculiarities that seemed to occur regularly...the album was eagerly anticipated but never came out. This is a very rare advance.
- Planet Rockers** **Hillbilly Beat \$30** featuring the great Sonny George.
- Price, Ray** **Heart of country Music ****Special**** \$48.** This was a 2lp set on 1 cd. It is Ray's personal favourite of the many albums he recorded and what less would you expect from a man of such great taste. It sees him make 20 country standards his own. "Is Anybody Going to San Antone" is amazing. You have to hear it to realise how great that is.
- Price, Ray** **Sometimes a Rose \$28** 1992 album which has some wonderful songs none better than "Not a Dry Eye in the House". Stunning singer.
- Pruett, Jeannie** **Satin Sheets: Jeannie Pruett's Greatest Hits \$45** Impossible to get Varese cd. They go like lightning so be quick.
- Reeves, Del** **Silver Anniversary Album \$30.** This is a fun album in which Del puts his well known skills as an impersonator to use on "Achy Breaky Heart" as sung by Roy Acuff, Walter Brennan & Johnny Cash among others. It works!! He is also an excellent singer with Charlie Sizemore's "I'm Really Gone" being a true highlight.
- Reynolds, Lawrence** **He Comes From Alabama \$30.** One cd by the "Jesus is a Soul Man" guy in full country George Jones style. Stunning 16 tracks with best ever Hank tribute "Them Old Hank

Williams Songs".

Ritter, Tex **Capitol Collectors Series \$38** Out of print series, of which I would recommend every title as being essential. This has all the hard to get ones, "Deck of Cards", "Blood on the Saddle" & "Just Beyond the Moon" etc 25 in all.

Robertson, Kathy **At the Cantina \$35**

Robertson, Kathy **To Roy Nichols With Love \$40 inc.** Bonnie Owens, Chris Gaffney, Rosie Flores etc.

Robertson, Kathy **Hillbilly Down: To Roy Nichols With Love 2 \$40** (Includes Haggard!, Rick Shea, Katy Moffatt)

Ryle, Curt **Life Time Guarantee \$35** What can you say but Curt is a true indie artist, amazing talent, superb writer and singer but with the dress sense God gave a goat. But it is not that latter thing which matters & on the former he delivers. He wrote the superb "Mirrors Don't Lie" & his own version loses nothing in comparison to that Gene Watson. Curt wrote 9 of the 11 on this gem. And he has a superb style...that is vocal not dress!!

Shafer, Whitey **So Good for So long \$25 ***Special*****

Shafer, Whitey **I Never Go Around Mirrors \$25 ***Special***** He reminds a lot of his long time collaborator, Lefty Frizzell.

Shaver, Billy Joe **Salt of the Earth \$30** Cd issue of great 1987 album inc "The Devil Made Me Do It"

Shaver, Billy Joe **Restless Wind: 1973-1987 \$40** Yep another gem out of print.

Simpson, Red **Best Of Red Simpson: Country Western Truck Drivin' Singer \$35** Razor & Tie 20 tks

Sonnier, Jo-El **Complete Mercury Sessions \$30.** Great collection which mixes his Cajun style with some very hardcore honky tonk.

Springfield, Bobby Lee **All Fired Up \$35** Semi rockabilly feel with his own "Hank Drank" a classic & a half.

Steagall, Red **Lone Star beer & Bob Wills Music/ To All Our Cowboy Friends \$58** His 2 classics on one cd. Some of the best you will ever hear.

Sweet, Ron **Ten in Tennessee \$50** Another wonderful indie with the highlight the wonderful ode to the great man "I Play Haggard" in which he uses snippets of Haggard songs to tell the story. He outdoes even Vern Gosdin on his version of "Baby That's Cold" and then shows himself a man for all seasons with the rollicking "Ten in Tennessee".

Taylor, Chip **Chip Taylor's Last Chance \$45** Long out of print cd version of his classic album which features "I Read it in the Rolling Stone" plus the great "101 in Cashbox" which combines the story of his own version of "Angel of the Morning" along with the tale of a racehorse.

Terry, Gordon **Lotta Lotta Women \$45 Bear Family.** I have concluded that Gordon Terry may be the baddest man ever in country music history.

He just seemed to have unlimited talent. If you saw the Town Hall Party dvds on Bear Family you'd find real charisma, movie star looks, a terrific voice and he seemed equally adept on fiddle and guitar. But he ended up as merely a footnote in country music history. This cd has been out of print & will give you an idea of what we missed out on. George Jones could not have done a better job on "Long Black Limousine". He had a career as part of the Johnny Cash live show and it is hard to tell who led who astray. He includes a rather ribald version of "Ballad of Hank", set to the tune of the "Battle of New Orleans". I find it sad. Maybe some day the story will be told. This is such a great cd. The out of print Bear cds are all grand.

Thompson, Hank

Golden Era of Capitol Country \$35 This is a great 20 track Japan issue (in English of course) with great sound & a rather unusual set of songs which avoids the usual.

Thompson, J W

Songs for Real People \$45 Another indie gem. 16 tracks and it is harder to find a better track anywhere than "Jesus Loves Cowboys". Also shines on narrations.

Tubb, Justin

Rock it On Down to my Place Bear Family 2cd \$60. His complete Decca recordings with a whopping 59 tracks. Quite a few upbeat songs but "Mine is a Lonely Life" sung with Roger Miller is a gem. A very underrated artist...but not by those who know his work.

Turner, Robby

"Man of Steel" \$40. Indie album from the great steel guitar player (with both Waylon & the Highwaymen) sees him enlist some wonderful vocalists including Waylon on "Women from Memphis", Jessi Colter on her hit "I'm Not Lisa" but the unqualified highlight is Johnny Cash version of "Steel Guitar Rag". I don't know what he was on but whatever he has the greatest fun he ever had recording. And then some.

Turner, Zeb

Tennessee Boogie & Jersey Rock \$30 King label anthology 1949-1953. On the now defunct Westside label. 24 tracks.

Wade, Norman

Tennessee Eyes \$55 1993's Album of the Year was the first cd for Norm...you would imagine though he would be universally referred to as "Norman". This gem was on the Bob Grady label & was superbly produced by Bob & Mike Headrick. There may not be another honky tonk album like this. "They're All Over Nashville" tells the stunning true story of those who don't quite make it the way they would want.

Wade, Norman **For a Minute There \$40.** Crossing the line between Jones & Hank is this indie champ for the ages. When he sings "I've Got Hank to Thank" you know he isn't lying. A 1997 out of print gem for this vastly under recorded artist.

Wade, Norman **Old Time Country Music \$35** Another album With gem after gem including two Hank songs, "Hank Moaned the Blues" and "Thanks to Hank". Got to have it

Wagoner, Porter **Greatest Hits \$30** 20 tracker with great and unusual selection including of course "Rubber Room" but also "What Would You Do, If Jesus Came to Your House")

Wagoner, Porter **In Person \$30 OOP** cd of 1964 album
Walker, Jerry Jeff Live at Gruhne Hall \$28 Original 1989 Tried & True album through Ryko. It was right after JJW befriended Chris Wall & he does the song that was even featured by Ian McNamara, "I Feel Like Hank Williams Tonight". He concludes with a raucous version of "Trashy Women". Gruhne, pronounced "Green", is a small town between Austin and San Antonio which has a rustic charm like no other & which translates brilliantly to live shows.

Wall, Chris **Cowboy Nation \$25**
Wall, Chris **Honky Tonk Heart \$25**
Wall, Chris **Any Saturday Night in Texas \$28**
Wall, Chris **Tainted Angel \$30**
Watson, Dale **From the Start \$50** 14 tracker on the D W label. His pre Hightone label material. Rare

Wayne, Dallas **The Invisible Man \$30**
Wayne, Dallas **Buckle Up Baby \$35** Two of Dallas' out of print Finnish albums....he lived in Finland for a number of years. And had many releases. The latter features great tunes such as "Crank the Hank", "Death in the Family", "I Never Did Like Planes" and "She".

Wells, Kitty **Duets \$28**
Whiteliners **Side Burnin' \$38** Unquestionably the best Australian cd I have ever had. Features 2 lead vocalists. Steve Wood is reminiscent of Wayne Hancock whilst Roy Payne, the dour Roy Payne, has a traditional classic honky tonk voice. No covers!! All original & I especially love "Un-Tamworthy" which hits the nail right on the head. Great album. Kentucky blueboird \$25 *****Special*****

Whitley, Keith **Trouble's Back in Town: The Hits Of \$30**
Wilburn Brothers Out of print Edsel Uk album of their Decca gems

Wild Rose **Breaking New Ground \$22** ****Special****
Great all gal group who really rock led by Wanda Vick & the great Pam Gadd. You will love it.

Young, Faron & Ray Price **Memories That Last \$35** Duet album on Step One, Nashville's great indie label.

BOOKS

"A Satisfied Mind: The Country Music Life of Porter Wagoner" by Steve Eng \$40 ...this has Porter autograph. Porter may have been one of entertainment's greatest womanisers. There was only one thing he sought in a woman and that was a pulse, but even that may not have been too important. One not autographed \$35.

"Always Been There: The List & the Spirit of Southern Music" Rosanne Cash. \$12 206 pages.

"Archie Green: The Making of a Working Class Hero" \$15 the story of the ultimate folklorist.

"Behind the Grand Ole Opry Curtain; Tales of Romance & Tragedy" Robert K Oermann \$28 One of Nashville's Best writers and this is riveting with many anecdotes.

"Bill Anderson Songbook" 22 of the best music for piano & guitar \$18

"Chittlin' Circuit: and the Road to Rock & Roll" Preston Lauterbach. \$22 excellent new book about the difficulty of black performers to gain acceptance.

"Country Music Originals" by Tony Russell \$20 the best ever encyclopedia style book on 30s country. Biographies of artists who were previously only a fleeting mention.

"Country Music Goes to War" Edited by Charles K Wolfe \$18

"Country Music Story: A Picture History of Country & Western Music" Shelton & Goldblatt \$30 A real find this 1971 book which has many rare photographs and stories. I haven't seen these pictures ever. In great shape with a few minor tears on dust jacket.

"Country Music Who's Who 1972" Fascinating look at country music as it was in the early 70s. Large and heavy hard cover book, with lots of rare photos and articles \$45 Nice gold embossed printing on leather look cover.

"Crowe on the Banjo: The Music Life of J D Crowe" \$18 Has some great insights into the life of Keith Whitley who was lead singer in J D Crowe's band.

"Deford Bailey: A Black Star in Early Country Music" \$25 Quite harrowing detail of the racism that existed. Davvid Morton with Charles K Wolfe.

"Dirty South" \$15 You always read about some random rapper getting gunned down. This might tell you why.

"Dolly Parton: The Words and Music of Dolly Parton: The Prager Singer Songwriter Collection. \$30 Nicve hard cover book that focusses on the songs and music of Dolly and not her bosoms!!.

"Electric Eden: Unearthing Britain's Visionary Music" \$25 whopping 664 page book on English folk...the legends & the legacy..

"Family Tradition: Three Generations of Hank Williams" \$25 Susan Masino Excellent new book which leaves you with the pondering question, how is Hank 3 still alive!!

"Fire & Rain: The Beatles, Simon & Garfunkel, CSNY & the Lost Story of the 60s" David Browne \$28 Nice hard cover book with many anecdotes. CSNY broke up because Stills & Nash were in a tug a war over Rita Coolidge. I never knew that. 370 + pages.

**"Gone to the Country: The New Lost City Ramblers" Ray Allen \$22
"Good Natured Riot: Birth of the Grand Ole Opry" by Charles Wolfe \$25**

**"Hank Thompson: My Side of Life the Biography" by Warren Kice \$28

Wow...how's that for a wordy title**

"Honky Tonk Gospel: The Story of Sin and Salvation in Country Music" by Gene Edward Veith \$20

"My Country: 50 Musicians on God, America and the Songs they Love" \$25 large size coffee table book just under 200 pages. Musicians and singers a bunch of questions including songs they wish they had written. David Allan Coe answers brilliantly of course..."Chiseled in Stone".. could there be a better answer? DVDS

1. Porter Wagoner Shows 20DVD set \$350 You name it, they were on there. The quality is superb and each dvd had 2 hours. Charismatic, talented and stunning.
2. Suzy Bogguss/Gretchen Peters/ Matreca Berg "Live at Greens Grocery"
\$28.Unplugged setting in HD.
3. Old Grey Whistle Test: Definitive Collection 4 dvds \$48 One of the finest ever music tv shows was this BBC gem from the 70s which always featured high profile rock acts many of whom did not perform live regularly. The theme of the show incidentally is played by Charlie McCoy. It is "Stone Fox Chase" and in one episode Charlie appeared and played the theme as a duet with of all people Val Doonican, who proves surprisingly adept. Artists appearing read like a veritable who's who but unusual ones include Tim Buckley, John Martyn, a young Emmylou, Tom Waits, The Ramones, Jackson Browne, Argent, a solo beach Boy Bruce Johnstone doing "Disney Girls" etc...not mentioning Lennon, Springsteen, Elton John, Bowie, etc All in pristine filmed yesterday quality. Yes, I do have it myself.
4. Car 54 Where Are you Complete First Season 3DVD \$30 One of the funniest ever tv shows with a humour which stands up very well today. It starred Joe E Ross as the bumbling Gunther Toody and Fred Gwynne as his lanky colleague Francis Muldoon. The cast was completed by the hapless Paul Reid as their commanding officer...he is very funny, and Al Lewis as Leo Schnauzer. Gwynne and Lewis went on to be in the Munsters. The first 2 episodes (I have one myself) will have you in stitches. Great theme song also.
- 5.Adventures of Jim Bowie Complete First Season 5DVDS \$25 Scott Forbes as Jim Bowie....he was a fighter a fearless & mighty adventuring man.
6. Sergeant Preston of the Yukon Complete Season Two in Full Colour 3DVDS \$25 Starring Richard Simmons & of course Yukon King the wonder dog!!
- 7.Riders in the Sky: Thirty Years of the Cowboy Way \$28 Brilliant and funny as well. "I've Cooked Everything" is a parody of "I've Been Everywhere"...Ranger Doug can yodel with the best. Very entertaining.
- 8.Dale Watson & His Lonestars "Live at Newland Netherlands" \$28 running time of over 90 minutes.

9. Barbara Mandrell and the Mandrell Sisters Show 3 DVD \$30 guests include Johnny & June, Dolly, Glen Campbell, Marty Robbins etc.
